HOW TO STAND UP FOR YOUR RIGHTS

Here are the tools you need to handle objectives

- 1 Wearing a mask obstructs my breathing that is crucial to my physical and emotional well being for which I am choosing the designated Public Health exemption
- 2 I am not obligated to disclose my health condition to you under the Americans with Disabilities Act (ADA)
- 3 You are violating the Patriot Act 802 by infringing on my rights with intimidation and coercion, which has felony and civil penalties
- 4 Only a licensed doctor has the authority to prescribe a mask, therefore, you are practicing medicine without a license, which is a felony offense
